We Care

You May Have Noticed

CONDO 1

by Steve Brimberg

To all our snowbirds that have just returned, welcome back. Please make sure that you notify the office that your back so we can keep your mailing address up to date. To the new buyers and renters both annual and seasonal, welcome to our Palm Greens community.

This has been a difficult year for everyone. As we try to get back to the new normal, Condo 1 adjusts the access to the Condo office based on CDC guidelines. As of now the office is open to residents for condo business. Please note that masks are mandated in the office as well as anywhere in the clubhouse. Please make note of the Condo 1 website, Palmgreenscondo1.com. Most of the forms that you might need are available on the site.

For the past several months, your board of directors have been working on updating the condo's Rules and Regulations. By now you might have already received your copy. If you have not, please stop into the office to get your copy. A signature is required.

In a few short months we will be sending out notices regarding the 2022 elections for the Condo 1 Board of Directors. This year there will be four of our board members that are due to run. There will also be one position for the Recreation Board. If you have any expertise that you feel would lend itself to helping our community move forward, please consider running.

During this past spring and summer courts 12 through 17 have been painted. In the spring of 2022 courts 18, 1, 2 and 3 will be painted. Also, in the spring we will be resurfacing all parking areas as well as all our private roads.

13th Floor has given us the 2nd payment of \$250,000.00 as agreed to. I'm sure that we're all looking forward to 13th Floor starting the construction on the new club house as well as their Delray Trails development. After a very long process we're just about there. Last we heard it should start around then end of this year or the beginning of 2022.

It has been a brutally hot summer down here and we all look forward to a beautiful fall and winter season. This year I'm sure that were all looking forward to getting back to the pool and maybe having a nice lunch at the new cafe.

To all, have a great season and most of all please stay safe.

CONDO 2

by Sandra Klimas

Welcome Back. This past year has been a personal challenge for everyone with Covid de-fining our social lives, travel and ability to enjoy retirement as we had hoped. Our Board has also been challenged with decisions on how best to safely open our facilities, balance our finances and improve our community's appearance and internal processes.

We would like to share some good news with you. We are on the road to successfully accomplishing our 2021 goals established at the beginning of this year. Our special assessment was approved, an outside vendor (the same as Condo 1) completed our long-range reserve study, our first ever electronic voting will be available at our annual meeting, a structural contract was signed and 17 buildings needing steel beam work are in process, all of our roofs are now clean, and a new sprinkler system is being installed.

We need everyone's help going forward.

- Please sign up to vote electronically as we only have approximately 100-unit owners out of 717 ready to vote with this easy and secure method. Applications are on our resident portal.

- **Please VOTE.** We will be sending out a voting proxy that will now occur annually and we need a majority (359) of our owners to vote. We will be asking you to vote for PARTIAL funding of our reserves this year. This will keep our maintenance fee at a reasonable amount. **If this does not pass, we will be forced by law to fully fund our reserves at an unreasonable monthly maintenance fee.**

RECREATION BOARD UPDATE

by Bob Heckman

Seems we've made it through the grueling summer heat and rainy season together here at Palm Greens and we're all looking forward to new and healthy Fall-Winter-Spring seasons and returning snowbirds.

By no easy measure the Recreation Association Board has done its best to remain vigilant and consistent in maintaining resident access to its amenities recognizing pandemic circumstances imposed on the nation and here in Palm Beach County in particular. Unfortunately, with this new Covid strain the Recreation Board has not been able to dispense with some of its facility use restrictions per CDC Guidelines.

We continue to monitor variant contagion trends, and the protection of resident health continues to be our top priority.

That said, here's an update we'd like to share.

- Unlike a year ago the Pool, Clubhouse, Tennis, Cafe and other amenities are all open, albeit with loosened yet some reasonable restrictions.

- In particular with a new "facelift" on its facilities and new seasoned vendor the Cafe has many new options to choose from including specialty items, take-out and delivery services.

- Some new events have already occurred at the pool (movies, Market Days/Book Fair) and Cafe (Memorial Day Bar-B-Que).

- The Recreation Association hopes to re-instate periodic Board meetings at the Clubhouse beginning in November. Stay tuned for further details.

- This year in observance and respect of Veterans Day the Recreation Association will raise our nation's flag at the Clubhouse and will make a donation to the Wounded Warriors Project. Our traditional gathering is not advisable under current circumstances.

As a reminder:

The Recreation Association's website at <https://palmgreens.org> is chock full of information. Residents are encouraged to make that website their first stop for answers to most questions, a new calendar of upcoming events, Café hours and menus, the Associations' rules and procedures for the use of its facilities, Recreation Associations forms, a link to register for Recreation

ENTERTAINMENT COMMITTEE

by Walter Jacobson

It is October 2021, and the Covid19 pandemic has killed over 630,000 fellow Americans (over 4 million worldwide) and infected over 36 million of us as of August 2021. To help curb the spread of this deadly virus, wear a mask when going out, especially when going to indoor venues and try to keep at least 6 feet away from others. More importantly, please get vaccinated, if you have not already done so.

As mentioned in each of the previous articles last season we will have no monthly shows this entire season (Nov 2021 to Apr 2022) in the Palm Greens clubhouse (or anywhere else for that matter.) Due to the Covid19 pandemic things were at a standstill.

On 7/21/21 our Clubhouse finally was scheduled to fully reopen, except for a few areas (e.g. showers, sauna and water fountains.) However, a dance held shortly after this reopening resulted in a number of Covid 19 infections among those who attended.

We have finally heard from the promoter who supplies us our entertainers. A Showcase is scheduled for 11/10/21, which will give our Entertainment Committee members a chance to see potential entertainers for our monthly shows and we will try to hire entertainers for the 2022-2023 season. If things change, we will try to adjust.

How about some humor?

Most people are shocked when they find out how bad I am as an electrician.

I changed the tags on my mother's herb jars. She hasn't noticed it yet, but the thyme is cumin.

How do trees access the internet? They log in.

What's Irish and stays outside all year? Paddy O'Furniture.

What do you call a hooker's fart? A prostitute.

Someone stole my lamp. Delighted.

Wife: our son called me a bitch today. Husband: What? That little son of a bitch.

I'm sure my wife has been putting glue on my weapons. She denies it, but I'm sticking to my guns.

What's 12 inches long and hangs in front of an asshole? My bosses tie.

Why was the teacher cross-eyed? She couldn't control her pupils.

ALLIANCE OF DELRAY RESIDENTIAL ASSOCIATIONS

by Judy Goldberg

As we return to our "season" the Covid/Delta variant situation seems to want to become permanent residents also. However, by getting our shots/booster... aka 3rd shot, wearing masks we can still enjoy life and will send these pests packing to another planet! As we said before, even with the pandemic, Florida offers so many beautiful places to visit and eat (outside), and we should explore our beautiful state. Wear masks and explore a bit! Whatever you choose to do, continue enjoying life and wear your masks.

Our main topic at our Zoom meeting was Looking Forward to the 2022 Legislative Session. Panelists included Sen. Lori Berman, Rep. Kelly Skidmore, Victoria Nolan, Exec Dir. Of Legislative Delegation and Ed Chase, Director of Intergovernmental Affairs.

A panel discussion about the 2022 Legislative Session followed. State Senator Lori Berman had a number of bills presented, but because of the raging Covid numbers in her area she presented a bill to the Senate to allow for Home Rule so that PBC could provide safety regulations. She is also attempting to undo the bill that prohibits masking and vaccination requirements for private enterprises. Sen. Berman is also working to strengthen the Hate Crime statute, curb human trafficking (a big problem here in Florida) and create a statewide Department of Diversity, Equity and Inclusion Office. If a person is convicted of Domestic Violence, they should not have access to guns! Her office is at I95 and Gateway.

Representative Kelly Skidmore said that following census findings, new districts are being drawn up. Some new bills are being discussed. They include waivers for people in recovery being able to continue their education and establishing a Gift of Life registry for people willing to donate their bone marrow. She ended with this advice: Have questions about treatments? Speak to doctors. They are a platform for good information.

Victoria Nolan, Executive Director of the PBC legislation Delegation announced the many dates that new legislation will be considered.

Ed Chase, PBC Director of Intergovernmental Affairs, discussed the need for affordable housing in the

(continued on page 17)

THE FOUR SEASONS CLUB

by Eleanor Horowitz

Every year the Four Seasons Club plans a full calendar of varied events to entertain our members. Since our group is made up of couples, singles, year-round owners, renters and seasonal visitors we have tried to have events for all to enjoy. In the past we have had parties, dances, lunches, brunches and wonderful entertainers.

This summer our new Executive Board worked hard to set up a calendar of events. We worked with the Recreation Board and representatives of the other Palm Greens clubs to put that calendar in place. Our calendar included a Hawaiian Luau, a miniature golf night, a Halloween party, a Square Dance, a card party and many more events going into 2022.

Unfortunately, Covid-19, along with the Delta variant, has put a damper not only on the health of many of us but also on our social lives. As of this writing in September all of these events have had to be canceled. If circumstances change and we can once again have programs in the Clubhouse we will let you know on the website, palmgreens.org, Channel 63 on your televisions and fliers in the clubhouse lobby.

We look forward to seeing you soon. We wish all happiness and good health.

TENNIS COMMITTEE

by Steffi Carmel
and Mark Melnick,
Co-Chairs

The Palm Greens Tennis Committee hopes everyone had a fun (and healthy) summer. We are hoping that the upcoming season will allow us to proceed with more of our traditional tennis programs, and some new ones as well.

As of this writing, the Palm Beach County Sr. Tennis League has begun planning for the 2022 season. Matches will run from January - March. The Golden Girls league is scheduled to run from October - December.

Our tennis Pro, Jim Boardman, will be back at Palm Greens beginning October 25th. He will be available for lessons, player evaluation, and will be setting up programs/clinics for this season.

Our rotation program will begin in November. Rotations will be scheduled for Mondays, Wednesdays, and Fridays. Initially there will be 2 sessions scheduled each day at 8am and 9:30am. Additional sessions will be added as needed. Court reservations for other times will be available. Team matches and practice session times will be posted when available. Registration forms will be available by email as well as in the tennis office in early November.

During the past several years we have had many new residents move into Palm Greens. We encourage anyone interested in playing tennis to stop down to the courts and speak to our pro Jim, one of the committee members, or even one of the other players. Our tennis community is very friendly and always seeking participation from new players. If you have any questions, we can always be reached via email at ttnscenter@gmail.com.

As has been the case since Covid began, all our plans are subject to change based on the current situation.

As we still are in a constant flux, the Committee requests that CDC guidelines continue to be followed. Any additional recreation board rules will be posted on the Palm Greens website as well. Frequent handwashing and use of hand sanitizers before and after play is still advised. Since we are an "at risk" population, wearing masks when you cannot be socially distant and aren't playing is recommended.

WOMEN'S CLUB

by Steffi Carmel and Roberta Minerva

Last year was a very difficult time but the Women's Club was able to have meetings every month through Zoom. Welcome to a new year 2021-2022. We were able to have three great events the past few months. Drag Queen Bingo was held outside by the pool. Great decor, fun and bingo with the Drag Queens entertaining us was a big hit. Next was the Paint Party. We painted a French lady on canvas and a good time was had by all. Who knew we had such great artists in our community. The disco party was held in the clubhouse. Pauline did a great job with the decor and Mel Clapman our photographer captured some great moments. Everyone was excited to get back to seeing our friends, dancing and having a great time. Denise Arthur and her team outdid themselves. Our successful membership drive headed by Joe Krokus is in full swing. We're looking forward to seeing many new faces this year. Our events may not be scheduled according to our calendar, but we will keep you posted via email and flyers when we can start having them again. Fingers crossed! Denise Arthur and Marsha Davis will announce our donation drive to a local charity that feeds underprivileged children by holding a Chinese auction November 5th. We're hoping we will have sunny days ahead and be able to have functions this season.

MEN'S CLUB

by Morty Teisch, President

The times they are a changing, as are the people, as are my friends: some good, some not so good. As we age, it appears we are not given our choices. My blessings to those who continue to age gracefully and my sharing of hope to those who do not.

This article is about me and my Tenth Anniversary as President of the Palm Greens Men's Club, and lest you think this is an attaboy article, nothing could be further from the truth. There is no way Men's Club could have survived without the full and enthusiastic cooperation of our magnificent volunteers. I may have coordinated the meetings, but it was the volunteers who threw me out of the way and set up these very successful meetings.

If I were to head up an organization or even belong to one, I couldn't have picked a better one than Palm Greens Men's Club. In my years of tenure, there were no arguments or disagreements on content of Programs. It was usually just an appreciation by our constituents who enjoyed being there and sharing in the activities. I'm pretty sure the women were also overjoyed, having the guys out of the house on that one Sunday a month.

Tearfully, I find myself unable to fulfill all the functions I had done before. Naturally, I would have wished for otherwise, in order to continue. In any event, I will meet with some of the Board to discuss a turnover of authority. I understand there are New Unit Owners who are interested in affiliating with Men's Club, and I welcome them with open arms.

Let me wish my membership the best of times in the forthcoming years, with health and happiness. It has been my pleasure to be associated with you and may Men's Club continue to flourish.

With Love.

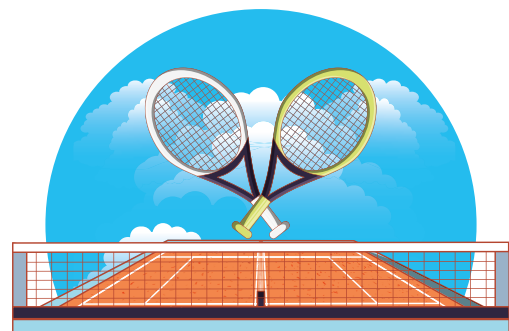

TIPS FROM OUR TENNIS PRO

by Jim Boardman (USTPA Pro)

Tips for mastering the art of tennis.

Accept the strokes you have now and learn to maximize your strengths and minimize your weaknesses, rather than constantly changing your strokes. Practice shots for situations rather than in a vacuum (touch, angled, volley). Serve to three spots (wide, body, T). Three returns (short angle low, lob, hard at net person). Play a ton of points in different situations [server vs receiver one on one 1 1/2 court, server vs receiver and partner, receiver vs server and partner. All four players work on different scenarios, serve and volley, and be able to handle all returns. Practice the three most important returns in the game situations [s.a.l] short, angle, low, offensive lob, and hard at net person. Work on different score situations. For example, you are serving 5 to 4 in the second set, having lost the first set. What should a team be thinking? What shots will be the most effective for both teams? Work on handling whatever happens during a match, by remaining relaxed and stay in the moment. The only point you can win is the one you are playing now [stay present]. Work on accepting whatever conditions you're in and not letting them upset you. Rather find a solution since you will eventually have to for all situations in real matches. It's windy, it's sunny, I'm playing poorly, my partner is playing poorly, our opponents are playing out of their minds, we got off to a bad start, and are down. Most importantly, get great at the first 2 shots of every point, that will always include either serve or return. If you can be consistently solid early in the point, hit good set Up shots and let the point end itself everyone will want to be your partner, and no one will want to play against you. Remember you miss 100% of your shots you don't take.

TENNIS SOCIAL CLUB

by Sharon Dorfman

We welcome back all of you who were up north and want to let you know we are very excited about our new season.

Our activities start off with a Holiday Party on December 14 at our clubhouse.

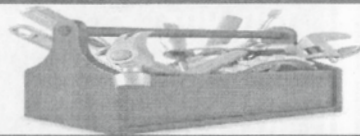

On February 11 be sure to wear your favorite team jersey to our Sports Night at the Westchester Country Club. Dinner, dancing and a good time is sure to be had by all.

Our season-ending, fabulous dinner-dance is scheduled for March 22 at Benvenuto's. This is one event you don't want to miss.

The Tennis Social Club is not just for tennis players. It is for everyone who loves to eat, drink and be merry. You do not have to play tennis or have a partner.

P.S. THE HANDYMAN

We do the job you won't do!

BOOK CLUB

by Joan Zimmer

Welcome Back to Palm Greens! Your Book Club has been active all through Covid via Zoom. Our next meeting will be October 6, 2021, at 4 PM on Zoom. The book to be discussed is THE YELLOW WIFE by Sadeqa Johnson. If you would like to join and participate, please send your E-mail address to me at Jpzimmer60@msn.com. When it is safe and we are comfortable, we will return to the Clubhouse for meetings.

PLEASE CARRY YOUR PALM GREENS ID CARD AT ALL TIMES

WE CARE

As the name of our organization implies we care for our friends and neighbors in Palm Greens to make sure that all their needs for being healthy are being taken care of.

We transport our residents and their guests to medical facilities, and we provide walkers, canes, and wheelchairs when they are in need.

To be able to do all that we have to do for our resident and their guests, we always are in need of volunteers. Without volunteers, any organization would have to hire people to do the job that is done now in Palm Greens.

Palm Greens is very fortunate that there are many volunteer that staff all our clubs, and staff our boards and they do so without any compensation, otherwise if we have to pay for this kind of service that the volunteers do, our maintenance would be triple what it is today.

In case any residents are in need of our servicers, please call 495-0878 which is monitored by one of our volunteers who gives the information to another volunteer.

Please give us 24 hours and leave your name and a telephone number where we can reach you.

YOU MAY HAVE NOTICED.....

Some of your favorite articles are missing this month.

Editors Editorial, Friday Night Movies, Nobody Asked Me But..., Points of Interest, The Health Room, are all written by our Palm Greens Pulse Editor, Mel Clapman. RECREATION BOARD... *(continued from page 4)*

Association email blasts, etc. It's all there and more. And a resident need only go to the website's "Contact Us" page for the Association's Office phone and fax numbers and a quick and easy way to send us an email.

The Recreation Association is truly grateful for the ongoing support of the overwhelming majority of residents, and we are looking forward to a new and improved season at Palm Greens. Thank you.

ENTERTAINMENT COMM... *(continued from page 4)*

When you die which body part dies last? The pupils. They dilate.

Plastic surgery used to be taboo. Now if you mention it no one raises an eyebrow.

We didn't order anything from Amazon today. So, the courier guy knocked on the door to see if we were OK.

I had a vasectomy because I didn't want kids. But when I got home, they were still there.

I was going to make a fat joke. It didn't work out.

How much does the heaviest dumpling weigh. Wonton.

Why do ducks have tail feathers? To cover their butt quacks.

A man met a reclusive woman on Tinder. She gave him hermit crabs.

Woman standing in front of a mirror. I'm saggy, wrinkled and fat. It's so depressing. Please say something nice about me. Your eyesight is perfect.

What is the best thing about a nude wedding? Everyone knows who the best man is.

When is a door not a door? When it's ajar.

Why do birds fly south for the winter? It's too far to walk.

Do you smoke after sex? I don't know. I've never checked.

Why did kamikaze pilots wear helmets?

A sure way to return from Vegas with a small fortune. Go to Vegas with a large fortune.

What did one saggy boob say to the other saggy boob? If we don't get some support here people will think we're nuts.

Did you hear about the sperm bank that offers aerosol insemination? It's called heir spray.

What do heavy smokers puff on? Cigarettes, cigars and steps.

Have you heard about the new car insurance for Jewish mothers? It's called the My Fault policy.

The trouble with Italian food is that 5 or 6 days later you're hungry again.

I don't like people who take drugs—like customs officers for example.

I don't know the question, but sex is definitely the answer.

You're getting old when the girl you smile at thinks you're one of her father's friends.

Insanity is hereditary. You can catch it from your kids.

Never underestimate a child's ability to get into more trouble.

The only sense I can make out of having kids is that it's a good way to become a grandparent.

No matter how old a mother is, she watches her middle-aged children for signs of improvement.

My photographs don't do me justice. They look just like me.

The tautness of his face sours ripe grapes.

I went to join the NY Public Library. The guy told me I had to prove I was a citizen of New York. So, I stabbed him.

An Iranian moderate is one who has run out of ammunition.

A fool and his money are soon elected.

Politics is derived from two words—poly, meaning many, and tics, meaning small.

Most politicians look like people who have become human by correspondence course.

Please wear a mask when you go out and plan to be indoors somewhere. Let's everyone do his or her part to stop spreading this deadly pandemic; it is a critical health matter. Actually, as tired as we may be from this Coronavirus lock down by staying home, if we take the necessary steps together, we may 'flatten the curve' and reduce the number of fellow Americans who will die. Also, there are newly developing variants, including the Delta variant as the virus mutates and becomes more transmissible and probably more virulent. The only way to truly reduce the potential spread is for most Americans to get vaccinated, so that the virus is not kept alive and mutating by unvaccinated people.

Here is a recent quote from the NY Times: "As Coronavirus cases rise across the US, the fight against the pandemic is focused on an estimated 93 million people who are eligible for shots but have chosen not to get them. These are the Americans who are most vulnerable to serious illness from the highly contagious Delta variant and most likely to carry the virus, spreading it further."

ALLIANCE OF DELRAY... (continued from page 5)

area, create new housing and to be able to affordably repair existing housing. He spoke of the need for work force training and beach funding. At the present time, hospitals are over capacity. PBC Day is being planned. South County has covid testing as does FAU. He ended his presentation with four words:

Get Vaccinated – Wear Masks.

Captain Rob Sandt of the PBC Sheriff's Office was pleased to announce the ringleader of a group perpetrating a huge credit card scam in the area was caught, tried and sentenced to 12 years in prison. There had been an increase in thefts by moving companies. Secure your jewelry and valuables. Check the moving company out before signing up! Again, Captain Sandt urged everyone to slow down on the road. Lately, tempers are high, and we are all on edge. Try to have patience.

Pete Hund, Fire Rescue Chief for PBC, (EMT) announced that an additional 9 new employees have been hired. Our area has been quite busy and there have been several automobile fatalities. He too asked drivers to slow down and be patient.

PBC Commissioner, Maria Sachs announced that there will be a workshop about many aspects of the Ag Reserve on October 26. Public input is requested, and you can contact the Commissioners office to provide your comments.

PBC School Board Vice Chair Karen Brill is concerned that the right of Home Rule regarding the learning, health, and safety of the children is being brought into question. She is fighting to preserve the communities right to Home Rule!

Nicole Carson of the Board of Elections, speaking for Wendy Satory Link, requested that any questions regarding voting information of the Board be directed to votepalmbeach.gov.

Next Zoom meeting of the Delray Alliance will be on Wednesday, October 6, at 10AM. The topic will be "The Other Half of the Penny Tax".

We Zoom our meetings for now, but when Covid is tamed, our meetings will take place at the South County Civic Center, 16700 Jog Road, Delray Beach, across from Morikami. Doors open at 9AM when refreshments are served. The meeting begins at 9:30 and always concludes by 11:30. All are welcome.

HE SAID-SHE SAID... (continued from page 14)

years we decided to start a family. Our first son was born on December 25, and when our daughter was born it was on December 26, and then our second son was born 4 years later.

SS: After our children were grown, I volunteered at 2 different hospitals. For the last 15 years I volunteer at a hospice bereavement on Fridays as a receptionist.

HS: We both are retired now. Our son lives in Coral Gables, Florida and our daughter lives in Tucson, Arizona so we visit each one every other winter and spend quality time with our grandchildren

SS: Our son suggested that we find a place in Delray beach where our friends live, since we know 4 other people from Buffalo who live in Palm Greens.

HS: I play golf 2 days a week. I read and I do jigsaw puzzles 500 to 1000 pieces or better.

SS: I play tennis 2 days a week, and I belong to the Palm Greens Women's Club.

HS: The location here in Palm Greens is very convenient and the people are very friendly.

SS: We have lots of friends and family here. We have never been sorry that we decided on Palm Greens.

We are avid Buffalo Bills fans. Forever.
